Sketch 1

The old temple will no longer be there...

I really like the style of the temple, what a pity...

There is special celebration...

What's that??

MATERIALS
Other people add to the video (related to the stories, e.g., old people mentioned the old temple, people who know the temple can find the photo of it and add it to the video).

Other kinds of materials.
An old man is telling a story when he was 30. He wants to make him look younger to make video more vivid.

After he becomes 30yr, he need some stuff similar to what he took in the story, So he find a photo.
What is your stance?

Q: Should the government be allowed to censor?
